Here are some simple tips for raising money for the YMCA Chill for Change

- Do not underestimate your value based on all the people you come in contact with on a day to day basis, you may able to raise \$500 to \$1000.
- Take some time to make a list of the people in your life who would enjoy watching you do such a crazy act for a good cause...(i.e. family members, neighbors, your parents friends, your friends parents, people you come in contact with every day, co-workers, etc...).
  Parents, grandparents, aunts and uncles love this stuff – put them on the list.
- Keep in mind this is for a great cause and tell your potential donors about that. (i.e. Camp Scholarships); find a way to share a personal story along with that. If you're not as familiar with camp and the impact of what we do feel free to contact us or you can say:

-YMCA Camp Ingersoll provides a traditional day camp experience and so much more. We have swim lessons, free swim, camp fires, archery, ropes, boating, nature, arts & craft, and counselor planned activities. The true value of camp is in using these assets as tools to provide new experiences for our campers to gain confidence and self-esteem, practice and build new skills, make meaningful relationships with peers and adult role models, and experience a diverse setting and how to manage their emotions. Camp changes lives and the more money we raise, the more lives you have changed!

- Send out texts, emails, or share on Facebook, Instagram, TikTok, and more. Include your fundraising page link and how any support sends kids to camp for a life-changing experience!
- Talk this event up over the weekend, meetings, around town and don't be afraid of the face to face ask for a pledge.
- Invite your friends to watch through our Facebook event at www.facebook.com/campingersoll or send them a message asking them to support you.
- Put a bucket out in front of your work area telling people what you are doing and asking them to donate.
- Resend the email, text, or Facebook link before the event.
- If you know someone who owns a local business, have them put a bucket out with your picture on it explaining what you are doing and what the cause is all about.
- Have fun with this....it is a really good cause and a really good time!
- Remember it is for the kids, the more money your raise, the more kids we help!

I hope that helps...please see me with any questions or concerns....<u>please pass this along to any other</u> plungers seeking to maximize their value.
